

**SAINT LOUIS UNIVERSITY**  
—  
1818 ADVANCED COLLEGE CREDIT  
PROGRAM

**2024-2025**

## **YEAR IN REVIEW**

**Higher Purpose. Greater Good.**

The Saint Louis University 1818 Advanced College Credit Program is a mission-driven, student-focused dual credit program, with more than 60 years of experience. Our recent changes have inspired us to double down on the idea that our program should enrich the students, teachers, and school communities affiliated with our program.

Beth Collier  
1818 Program Director
