ABOUT SAINT LOUIS UNIVERSITY

Saint Louis University is one of the oldest and most prestigious Catholic universities in the United States. Founded in 1818, the University is recognized nationally for world-class academics, life-changing research and a strong commitment to faith and service.

Guided by its enduring Jesuit mission, Saint Louis University offers students a highly rigorous and deeply transformative education that empowers them to become bold, confident leaders.

As a nationally recognized leader in research and innovation, SLU is a Research-1 (R1) university, advancing groundbreaking discoveries in St. Louis and around the world.

In 2024, Saint Louis University educated more students than ever before and experienced unprecedented international enrollment: 15,334 students, from all 50 states and 100 countries. SLU's campus in Madrid, Spain, enrolled 1,246 students last fall.

A dedication to values-based education and social justice has earned Saint Louis University widespread acclaim and bolstered its status as a character-building college. SLU offers more than 180 community engagement courses, and 75 percent of SLU students volunteer each year.

SLU is also a catalyst for urban renewal in the heart of a vibrant city. More than \$1.2 billion in housing, retail and business development is underway in Midtown St. Louis, and the University is in the center of the neighborhood's growth.

Inspired by its pioneering spirit, Saint Louis University continues to move forward, committed to serve a higher purpose while seeking the greater good.
