Undergraduate Scholarship Deferment Request

(Applicable to Fall 2018 / Spring 2019)

Student's Name _____ SLU Banner ID Number _____

Saint Louis University Scholarship Renewal Eligibility Policy

In accordance with Saint Louis University's Scholarship Policies, a scholarship student must meet the following criteria to maintain Saint Louis University Scholarship renewal eligibility:

- ✓ **Maintenance of a specified, minimum cumulative grade point average as measured at the end of each spring semester. To review scholarship requirements, visit finaid.slu.edu.**
- ✓ **Maintenance of continuous, full-time, Saint Louis University undergraduate school enrollment (non-Professional Studies) over a maximum specified number of fall/spring semesters, or until receipt of a baccalaureate degree, whichever comes first.**

Saint Louis University Scholarship Deferment Policy

If a student cannot maintain these scholarship renewal requirements as detailed above, the scholarship student must submit this form, **prior to the start of the semester** in which scholarship policy noncompliance is contemplated. This form petitions for a Scholarship Deferment which requests that we consider a student's special circumstances that have caused his/her inability to comply with the renewal eligibility scholarship policy. If approved, this Scholarship Deferment preserves the student's remaining, unused semesters of scholarship eligibility for his/her anticipated return to Saint Louis University as a full-time, undergraduate (non-Professional Studies) scholarship student. *A Scholarship Deferment cannot exceed one academic year in length.* A Scholarship Deferment Request that has not been approved before a student exits the University may not be approved.

Please Note:

- **Students leaving SLU to attend another University (other than an approved study abroad program) are not eligible.** Also, if a Scholarship Deferment is not granted to a scholarship student prior to leaving the University or enrolling as other than a full-time, fall/spring undergraduate (non-Professional Studies) student, the student's Saint Louis University Scholarship eligibility will terminate without appeal.
- If you are completing this form and the semester for which you are requesting a leave has already begun or has ended, please send an email of appeal to the Coordinator of Scholarships at: sfs@slu.edu.
- Students are also encouraged to contact their academic advisor for specific information/procedure regarding a leave of absence with Saint Louis University.
- Students who cease at least half-time enrollment may be required to start repayment of their student loans. Parents whose student ceases at least half-time enrollment may be required to start repayment of the Parent PLUS loan. Please contact your lender for further details and repayment/deferment options.
